

HIGH PERFORMANCE OPTRONICS & OPTO-MECHANICS

SCROME J4 - LFA 4 x 26.4 Assault rifle, LMG and DMR scope

OVERVIEW

The SCROME J4 LFA is a lightweight, heavy-duty, high performance combat scope designed to enhance the rifleman and machine-gunner performances. It has accompanied the French army in every mission for over 15 years, on FAMAS, Minimi and now HK416F.

APPLICATIONS

Assault rifle, LMG or DMR, from short ranges to 600m.

FEATURES AND BENEFITS

- **STURDY** Engineered and constructed with SCROME's renowned uncompromising ruggedness, it will withstand all the abuse the battlefield can throw at it.
- **QUALITATIVE** Benefiting from an exceptionally optimised optical formula, it features great clarity, a large exit pupil and an exceptional eye relief, allowing comfortable, fast and accurate shots at all distances.
- **SIMPLE** Function guides form: set-and-forget, capped turrets.
- **POLYVALENT** Its LED backlit combat reticule and great light transmission allow for dusk and dawn shooting, as well as close quarter engagement.

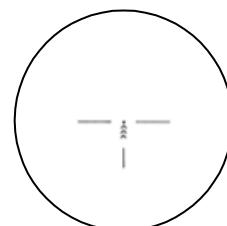

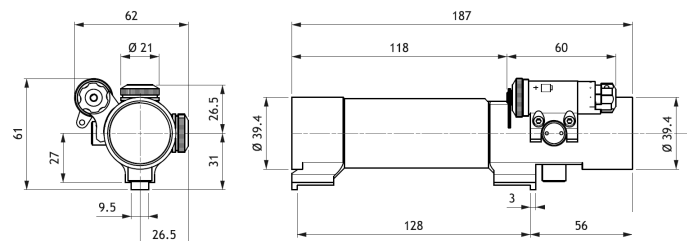

ACCESSORIES

The LFA J4 is supplied with a foam padded transport case. The following options are available:

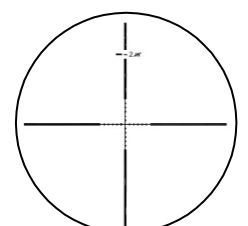

- Instruction Manual
- Flip-up front and back lens covers
- Standard or fast-off STANAG 4694 adaptor
- Eye cup for adverse conditions and use in low light
